

May 2008

ENGINEERS REPORT:

Matt Shafai reports on the following:

- Millstone road Improvements – Punch list items should be complete by end of the week.
- 2008 road Program – We need to compile a list of roads.
- Fuel tank – Waiting on delivery.
- Bridge MS 49 Perrineville Road – Jim Pickering and I attended a pre-construction meeting, Perrineville Road should be closed from July 2008 through December 2008.
- Bridge MS 70 Baird Road – No news.
- Updates on Proposed Flood Hazard Maps – FEMA has updated flood hazard zones maps throughout all of Monmouth County, the old maps are from 1982. The new maps have two new roads, Rocky Brook Road and Hampton Hollow Drive. The new map study the Manalapan Brook South of Stagecoach Road. Any questions contact Matt Shafai or www.FEMA.gov.
