

Bear Sightings

Due to recent bear sightings in Millstone and surrounding communities, it is important that you know what to do if you encounter one.

- Remain calm. Make the bear aware of your presence.**
 - DO NOT feed the bear.**
 - Keep at least 15 ft. away from the animal.**
 - Make sure the bear has an escape route.**
- Yell, bang pots/pans or use an airhorn to scare the bear away.**

If a bear is creating a nuisance or damaging property, call the Fish and Wildlife Unit at (609) 984-0547.
