**PUBLIC COMMENT PORTION:**

Chairman Adornetti opened the meeting to the public at 7:31pm

Nicole Dietz – 54 Garden View Terrace

Sound Healing Yoga – more of a meditation type of yoga. I have doing this for quite some time now and run private classes. This is more of people over the age of 15, including seniors, because of all the sounds it could be overstimulating for children. I am fully insured, have my licenses, and own private business.

C/ Italiano – Participants sign up through the Millstone Recreation Website and they are insured through the Township like that.

R/C Balkovic – Program already has set rate for participants and instructor pay.

Ms. Dietz – Set up would be similar to Yoga with a mat and blanket. Currently I work privately at a dance studio. Worked with the autism spectrum disorder.

C/ Italiano – Maybe we should make it known that this could be helpful for people with disorders. Use a description that is inclusive to all.

Closed to public at 7:48pm
