

In 2012, The Friends of Millstone Township Historic Registered Properties accepted a donation of the Van Zandt Windpump from the New Jersey Museum of Agriculture at Rutgers upon its closing. This past week the windmill was raised at the Thomas Baird Homestead, a fitting addition to the site based on the inclusion of a windmill on the Inventory of Thomas Baird's possessions at the time of his death in 1880.

The Friends are planning a grand opening celebration next year. We hope everyone will join us then.

Please join us on December 4th for the Holidays at the Homestead, from 2:00-4:00.

Thank you for your continuing support.
