

Monmouth County announces 2022 Paper Shredding dates

Multiple opportunities to dispose of old documents safely

FREEHOLD, NJ – Monmouth County has scheduled 16 paper shredding events throughout the County so that residents have the opportunity to dispose of old documents and confidential files safely.

“The County is proud to provide our residents with multiple opportunities to eliminate unnecessary paperwork and documents through the Monmouth County Reclamation Center and our local partners. This free event not only helps residents declutter their homes, but also can protect their personal information from identity theft,” said Commissioner Director Thomas A. Arnone, liaison to the Monmouth County Department of Public Works and Engineering. “The types of personal documents that should be shredded include bank statements, medical records, legal documents, utility bills, and anything with a signature. On behalf of the Monmouth County Board of County Commissioners, I would like to thank our partners for assisting us in offering this important service to our residents.”
