

If you are looking for an indoor project to take on during the cold winter months, consider cleaning out your basement, garage, or attic and set aside unwanted, but still usable items in good condition that can be donated to charitable organizations. Local churches, community centers, thrift stores, schools, nonprofit organizations and other organizations typically accept a variety of donated items. Check out some of the reuse opportunities that are available at <http://www.nj.gov/.../Reuse%20Organizations%20and...> and look for additional opportunities in your area. Reuse...it's good for the community and good for the environment! Learn more about waste reduction and recycling at recycle.nj.gov.

REUSE: Donate unwanted items
in good condition!
